Mission Statement

The Salem Baptist Church is transforming lives by Exalting the Savior, Evangelizing the Lost, Equipping the Saints and Expanding the Kingdom of God.

(Matthew 22: 36-40; Matthew 28: 18-20)

Each saint of God should be a maturing disciple of Jesus Christ. In 2018 we expect each member to aspire to a higher level of worship, relationship, discipleship and stewardship.

Ephes. 4:11-16 (NKJV)
And He Himself gave some to be apostles, some prophets, some evangelists, and some pastors and teachers, [12] for the equipping of the saints for the work of ministry, for the edifying of the body of Christ, [13] till we all come to the unity of the faith and of the knowledge of the Son of God, to a perfect man, to the measure of the stature of the fullness of Christ; [14] that we should no longer be children, tossed to and fro and carried about with every wind of doctrine, by the trickery of men, in the cunning craftiness of deceitful plotting, [15] but, speaking the truth in love, may grow up in all things into Him who is the head--Christ-- [16] from whom the whole body, joined and knit together by what every joint supplies, according to the effective working by which every part does its share, causes growth of the body for the edifying of itself in love.

In this new year, each of us should renew our commitment to the Lord Jesus, to one another as brothers and sisters in Christ, and to seeing lost souls served and saved.

Matthew 9:37-38 (NKJV)
Then He said to His disciples, "The harvest truly is plentiful, but the laborers are few.
[38] Therefore pray the Lord of the harvest to send out laborers into His harvest."

On this day, February 18th in Black History

Home to the largest African American congregation in the state of Washington, Mount Zion Baptist Church was organized in Seattle on February 18, 1894. Led by Reverend Hesekiah C. Rice, eight founding members initially met in a rented hall on the campus of the University of Washington, which was in what is now downtown Seattle. Although many churches in Seattle were racially integrated during this period, some black parishioners wanted a more expressive environment within which to worship.

Mount Zion experienced tremendous instability in its leadership and location between 1894 and 1907. Numerous pastors passed though the church, sometimes as frequently as one each year. In addition, Mount Zion's address changed no fewer than five times during this period. Finally, a church building was constructed on land purchased at the corner of 11th Avenue and Union Street in 1907. In 1918 the church bought a parcel of land at 19th Avenue and East Madison Street. Construction began in 1920 on the building that still houses Mount Zion today.
