#### **Quick guidelines for recording a high quality, usable video:**

- If you are using your phone be sure to CLEAN YOUR LENS. This is one of the most important and most overlooked pieces of recording your own videos.
- Please record your video in the landscape or horizontal position.
- Choose a place with good light. A shaded, bright area without direct / harsh sunlight.
- Please use a tripod or some stable surface to hold your camera or phone.
- Please record in a quiet area so that we have the best audio and can hear you clearly!
- Do a test recording to make sure you sound and look great. Remember, this will be presented to the world!!
- The best way to submit your videos is by using the FREE version of WeTransfer. This will be the best option to submit your video at the highest quality possible.
